

On-Campus Housing Periods and Policies

November 24, 2020-January 17, 2021

Mid-Academic Year Housing Periods Defined

This year, there are 3 distinct housing periods during the November through January timeframe, all of which are available at no cost to current residents. Due to the current pandemic, however, we do require that resident's **sign-up** if they choose to live on-campus during any of the following timeframes.

- **End of Semester Housing (during which all classes are remote):** Extends November 24th at 6pm through Friday, December 11 at 6pm. This housing option is for students planning to be on campus during the last 3 weeks of the semester while fall classes finish up remotely.
- **Full End of Semester, Winter Break and Winterim Housing:** This period extends from when the remote learning period begins (Tuesday, November 24th all the way through the Winter Break period (December 11 at 6pm-January 3rd at noon) and the Winterim period (January 3rd at noon until January 17 at noon).
- **Winterim Housing:** Begins after the holiday break, beginning January 3 at noon until January 17, 2021 at noon when the residence halls open for all Spring 2021 residents. Typically, students who work in the Madison area, on campus or are taking a Winterim class live in their room during this time.

Residents choosing not to be in housing during the end of Fall 2020 semester or the break period must sign-out for the break here by 6pm on Tuesday, November 24th. While residents are not allowed in their space during break, you may leave any belongings you won't need until Spring 2021 in your room. Before vacating, residents should: unplug appliances, defrost fridge (prop door, place towels underneath to soak up water, toss perishables), close & lock windows and blinds, take home items of value (EC is not responsible for personal property), turn off your light and lock your room door and **sign out at** <http://residencelife.edgewood.edu>.

Health and Safety Inspections

Prior to break, residents should also prep for Health & Safety Inspections: clean room and bathroom, take out garbage, declutter, and make sure sprinklers are unobstructed. Residence Life staff will be going Health and Safety Inspections over break. If policy violations are discovered, they will be documented. Prohibited items will be removed & disposed of.
